About Anaconda Mining Inc.

Anaconda is a growth-oriented, gold mining and exploration company with a producing project called the Point Rouse Project and four exploration/development projects called the Viking and Great Northern Projects, the Tilt Cove Property in Newfoundland. Anaconda has also recently executed an arrangement agreement to acquire Orex Exploration which would give the company control of the Goldboro Project in Nova Scotia.

As the only pure play gold producer in Atlantic Canada, Anaconda Mining is turning the rock we live on into a growing and profitable resource. With a young and motivated workforce, innovative technology and the support of local suppliers, Anaconda is investing in the people of Newfoundland & Labrador and giving back to the communities in which we operate – building a better future for all our stakeholders, from the ground up.

Safety, Integrity, Reliability

Anaconda Mining Inc. is an equal opportunity employer.
